

# FOXHILLS OPEN DAYS

Is your child due to start school next September?

Are you seeking a nurturing, child centred,  
high achieving school for your child's education?

Foxhills Infant School values the individuality and uniqueness of every child. We hold the view that happy, secure and confident children learn best and we get to know your child personally to ensure their needs are met during their time with us.

Our curriculum is knowledge based because we believe that all children should be given the knowledge they need so they can deepen their understanding and apply what they know in different ways. We encourage active learning and want our children to investigate, explore and discover for themselves.

Foxhills Infant school is set in beautiful grounds. Our children benefit from learning gardens, playgrounds, fields and nature trails. Our caring and dedicated teaching team are entirely committed to helping your child flourish.
