School clubs – Autumn/Winter 2025

Dear Parents,

September 2025

We are delighted to be able to offer a variety of school-run clubs for different year groups for the autumn/Winter term. These are timetabled below and most will run from w/c 29/09/2025 – 09/02/2026. Please note that Netball will not start until 06.10.

To enhance our provision for competitive sports, we are delighted to share that we have arranged specialist coaching in both girls’ and boys’ football from Eastleigh Football Club, as well as a dedicated netball coach for our netball club. In addition, we are excited to welcome ACE Sports, who will be running hockey (Monday) and basketball (Wednesday) clubs. Further information on how to book these ACE sports clubs will be shared next week. By introducing these additional opportunities, we aim to strengthen our competitive sports provision and respond directly to the valuable feedback we have received from parents.

A parent’s permission is required for clubs that take place before and after school. For most clubs, there is no charge, but some may require a small contribution to cover costs. Due to the popularity of some of the clubs, children may need to participate on a year group rota and this will be indicated when the children receive confirmation of their place in a club. For the sports clubs, children will need to bring in PE kit.

Please complete the online form by **Tuesday 23rd September**. You will not be able to add your child's name after this date unless there are open spaces.

Any School led club may be cancelled at short notice due to poor weather conditions or staff absence. If so, you will receive a text message. We do ask that you acknowledge receipt of this please. If this happens you are unable to collect at normal school time, we will look after your child until the end of the club, providing alternative activities in the classroom.
