Year 1 Enrichment 2026/2027

Dear Parents and Carers,

At Foxhills Infants, we are committed to providing a rich range of experiences that support children's personal development, interests and talents alongside the academic curriculum.

Throughout Year 1, the children will take part in a variety of enrichment activities designed to enhance their learning, broaden their experiences and create lasting memories. These opportunities help us bring learning to life through workshops, visits, performances, outdoor learning and community involvement.

To help us provide these valuable experiences, we are asking for a **voluntary contribution of £30.77 per child**. We hope that the option to pay in instalments makes this manageable for families.
