Dear Sir/Madam,

### **Rushington Roundabout Improvement Scheme Temporary Footpath Closure**

I am writing to inform you that Hampshire County Council will be temporarily closing the footpath along the A326 to undertake the following highway improvements;

- Preparatory works to clear the overgrown vegetation on the existing verges and footpath;
- To widen the existing shared use pedestrian and cycleways;
- Construct a new bus lane.

The footpath will be temporarily closed from Thursday 30 November to Friday 15 December. Please find the temporary pedestrian diversion route plan on the reverse of this letter. Advanced warning signs will be placed on-site to provide further notice.

Please note that the works are weather dependent and may need to be re-arranged at short notice in the event of adverse weather.

The nature of the work may bring some disruption or inconvenience however every effort will be made to keep this to a minimum.

Please email any enquiries regarding these works to:  
[implementation@hants.gov.uk](mailto:implementation@hants.gov.uk), with the subject line clearly marked, '**Rushington Roundabout Scheme**'.

Further information about the scheme together with any updates about the planned timescales or traffic management arrangements are available at the County Council webpage at; <https://bit.ly/rushington-roundabout-bus-priority-improvements>.
