**Bonjour,**

French Club is available at Foxhills Junior school, every Wednesday lunchtime, and the Winter/Spring Term is open for enrolment, so if you would like to gift your child this amazing opportunity to learn another language please read on. 😊

- ✦ I was born and raised in France so your child will get taught by a native speaker.
- ✦ I am very passionate about teaching languages and other cultures to children through storytelling, music, playing games and having fun.
- ✦ I use the reputable La Jolie Ronde programmes and resources.
- ✦ I keep my classes small.
- ✦ 6 surprising benefits of learning a language: -
  - ✦ It improves your memory
  - ✦ It makes you a better multitasker
  - ✦ It encourages cultural appreciation
  - ✦ It makes you a better communicator (in your native language too)
  - ✦ It encourages creativity
  - ✦ It makes your brain bigger! It improves your cognitive abilities.

If you would like a **FREE TRIAL** for your child or to sign up to the course for the Autumn Term, please get in touch and register your child at <https://www.clubenrolment.com/Bonjourlesenfants>.

Spaces are limited, enter your location as Foxhills Junior School to access the sessions available in your school. Please note that your child's space will only be secure once payment has been received.

The cost of a 30-min session is £7.00. The compulsory welcome pack is £25 and includes an activity book, a downloadable audio and a parent guide that it will last your child at least until the end of the school year.

You can pay in monthly instalments by choosing the GoCardless option available to you, or you can pay in full by bank transfer. Please email me to let me know if you pay me direct.

If you have any questions about any of the above, please do not hesitate to get in touch.

**À bientôt!**
